Thank you for choosing Smartpay

Getting Started Guide | Smartpay PAX D200

The **D200** provides a small footprint, secure and robust mobile payment terminal. It requires a Wi-Fi connection and a compatible integrated point of sale (POS).

Complete these simple steps to get your terminal connected, ready for business.

STEP ONE: Switch on

Turn on the terminal by holding the ⏻ button on top of the terminal. The terminal will go through a start up sequence.
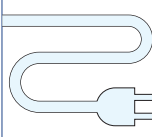

STEP TWO: Connect to the Wi-Fi

Terminal will attempt to connect to last Wi-Fi network. Make sure the terminal is in range of your Wi-Fi network, you will be prompted to connect/configure a network connection.

1. Press **CLEAR** to change your Wi-Fi network
2. Press **ENTER** to scan for network connections
3. Select the Wi-Fi network you wish to connect to
4. Enter the Wi-Fi password

If successful, the 📶 icon lights up in the top left corner of the screen.
